

MEMBERSHIP TYPES

CULTIVATE MEMBERSHIP: \$0/YEAR

Pay what you can. Pay it forward. We understand each season presents different difficulties and we want to intentionally meet each person where they are at. Membership at the “cultivate” level understands that you will give what you can each time you show up at Shechem at Hope Street. This could be of your resources, time or talent. We will have an ongoing list of needed supplies, tasks around the building, and a “box” where you can simply sign up or drop off your contribution to the community. We believe everyone has the opportunity to be generous. Involvement includes access to gym and all common spaces.

- Pay what you can
- 5 hours of time
- 3 needed supplies

GROWTH MEMBERSHIP: \$20/MONTH

Membership at the “growth” level is an intentional commitment to your holistic well-being. Involvement includes access to our life skills classes, resource center and gymnasium. This also includes all special events held by Shechem at Hope Street.

- The cost is \$20 per month, and can be paid on a bi-weekly basis.

FLOURISH MEMBERSHIP: \$40/MONTH

Monthly membership. Membership at the “flourish” level acknowledges that we are only doing as well as our neighbor. This level intentionally invests back into the well-being of another. In other words, you cover your membership, and that of another person. It includes all of the access at the growth level. In addition, it includes two monthly guest passes. Guests must complete all necessary paperwork.

- The cost is \$40 per month, and can be paid on a bi-weekly basis.
