Event Date: Monday, August 14th from 10am-6pm

The Legends at Merrill Hills | W270S3425 Merrill Hills Rd, Waukesha, WI 53189

It's no secret that we all have a little growing and healing to do. We easily fall into bad patterns or out of good ones. We may find ourselves eating more and exercising less, having another drink, or picking up a habit we thought we long got rid of. At Hope Street, we focus on holistic wellbeing in the areas of mental/emotional, physical, spiritual and intellectual health. Shechem at Hope Street has provided the opportunity for growth in the area of physical health. We're grateful we get to offer basketball and group exercises classes in the gym. Our members not only have a safe place to live, they now have an intentional space to explore classes on nutrition and take steps towards walking away from toxic habits and turning towards making healthy choices.

Physical health is often a starting point that leads us to have better health in other areas of our lives. When we step out and do the hard thing, like getting ourselves into the gym, we find ourselves feeling and doing better across the board.

Just as we all have brokenness, we all have the opportunity to flourish.

Just as physical health is a starting point for our overall well being, this is a starting point for you at Hope Street. This golf outing is an invitation into our community, a time to get out and have some fun, learn a bit more about us, all while supporting the physical health programming we have at Hope Street. Join us, August 14th at The Legend @ Merrill Hills for our first ever Golf Outing!

With gratitude,
