

Sponsorship Packet

Event Date: Thursday, February 27, 2025 from 11am-1pm
Terrace 167 | 3210 WI-167, Richfield, WI 53076

Seasons of life. We feel the changes in the weather, we see the stages our loved ones move through, and we experience what it's like to have more or less capacity to do things. Each season presents an opportunity to be more present, aware and thankful for who we are and the people that make our lives more full. Life at Hope Street is no different, each season we are given an opportunity to meet new faces, know familiar ones more deeply and faithfully build a supportive community in which people have every chance to grow and flourish. We will share more about this, and how you can consider joining us no matter what season you find yourself in.

The Women's Luncheon is one of our favorite events of the year. It's a great opportunity to hear stories, be with friends and be reminded of the impact being made down on 26th and Capitol. Like with all of our events, our hope is that contributions made can go directly towards our operations and programming. This is why we rely so heavily on generous sponsors. Please consider helping make this event a success, by picking one of the following sponsorship levels. If you are interested in supporting the event in a different way, please do not hesitate to reach out to us.

With gratitude,

Ashley N. Thomas
Chief Executive Officer
