Years go by, people come and go, yet one thing remains... stories. The last 25 years have given us the incredible opportunity to hear and see how lives have been transformed as they intersect with Hope Street. As members within our community we are presented with the opportunity to be known and know others - these relationships leave us forever changed.

We invite you to join us at the table for a time of hearing and sharing stories. Help us celebrate 25 years of creating a safe environment where men, women and children can be seen, heard and loved.

The Women's Luncheon is one of our favorite events of the year. It's a great opportunity to hear stories, be with friends and be reminded of the impact being made down on 26th and Capitol. Like with all of our events, our hope is that contributions made can go directly towards our operations and programming. This is why we rely so heavily on generous sponsors. Please consider helping make this event a success, by picking one of the following sponsorship levels. If you are interested in supporting the event in a different way, please do not hesitate to reach out to us.

With gratitude,

Ashley N. Thomas
Executive Director
